## NEW CONTEST:

"DRESOWKA AT THE END OF THE WORLD"

Times goes by quickly... we already come to third edition of our newsletter :))  
As always we have gathered some new information and pre-release we want to share with you...

## BLOG

We have already two entries on our blog:

- riveting press machines comparison
- ABC of printing on fabrics

During October we wish to add sawing tutorials thematically related to the coming winter :)

We hope our BLOG will be happily recognised as a reliable source and another useful tool from our store.

Certainly, we are open to all your proposals for domains that we should describe and introduce on our blog:  
in this case please communicate us on [blog@dresowka.pl](mailto:blog@dresowka.pl)

## Thread racks

We are excited to announce that our store dresowka.pl has made cooperation to AppleBERRY producing racks for threads.

We hope that such complement of our offer will meet with your interest.

Racks will be available at our shop from the mid-October:

- Emilia P5 rack
- Emilia P3 rack

## DIGITAL THICK

From the beginning of next week (from 17.10.2016) our offer of digital printings will expand on "DIGITAL THICK" - brushed sweatshirt D300. We have throughoutly tested this fabric before final production, now it is on very satisfactory level and WE ARE THE FIRST.

Recently we have received first batch from printing company and it has positively exceeded our expectation.

This fabric is fluffy, thick, very soft and warm.

We are looking forward for your opinions.
